Bristol County Savings Bank expands & renovates Raynham Center branch office

DATELINE: TAUNTON, MA...

Bristol County Savings Bank's Raynham Center branch, located at 108 North Main Street, has a new look! The office recently underwent extensive renovations that expanded the footprint of the building. The Raynham office is one of the busiest transactional offices for Bristol County Savings Bank, a \$1.1 billion savings bank founded in 1846 and headquartered in Taunton, MA, with 10 offices in Southeastern Massachusetts and Rhode Island.

Patrick Murray, Executive Vice-President, Treasurer and Chief Operating Officer of Bristol County Savings Bank, outlined the objectives of the renovations, "Previously, our Raynham Center office had a very busy lobby with little room for privacy for our customers. As part of the Raynham community, enhancing our customer's banking experience is our primary goal. The new design includes an expanded lobby area with 2 private offices and a full size conference room. This additional space allows us to offer amenities not previously available at this location and will also benefit our customers by providing improved privacy, comfort, and convenience."

The architectural features of the Raynham Center office will incorporate some of the distinctive design features of Bristol County Savings Bank's newest office in Dartmouth which serves as a pattern for future buildings and renovations. One such feature incorporated into the redesign, is a clerestory cupola with a custom weathervane which allows natural light to stream in from its windows to flood the newly renovated lobby below.

The Raynham office, redesigned by Stephen R. Nelson & Associates, Inc. of Attleboro, MA, has been increased by 700 square feet. The design preserves much of the original stonework, keeping in harmony with, and complementing, the architectural style of the surrounding historic area.

With the renovations complete, customers of Bristol County Savings Bank's Raynham office are treated to a host of non-traditional amenities and modern services to go along with the Bank's longstanding reputation for stability, security and community commitment. Newly added amenities and services will include a coffee bar, a self-service free coin counting machine and a multi-media merchandising area. The Bank's 24-hour ATM will be relocated to the drive-thru lane for added convenience and additional parking has been added as well.
